This year you will have the opportunity to meet potential partners or coproducers and get to know current projects being developed by other producers in France and Germany.

The Co-Production Market is primarily aimed at producers who are looking for co-producers. Of course, discussions with possible distribution and financing partners are also possible.

The project selection will take place at the end of October and will be made available to all participants. (Digital Catalogue)

This year we will arrange your individual appointments via an online meeting space.
