

WITH [SOONER.LU](https://www.sooner.lu), DISCOVER THE BEST OF CINEMA!  
Luxembourg's largest VOD catalogue

As of today, the Luxembourg platform Vod.lu is reinventing itself, joining the European project **Sooner** already active in Germany, Belgium, Austria and Switzerland. The VOD catalogue has been enriched with many new films. The **novelty** lies in the 4 new subscription plans available from €7.99/month. These complete the transactional offer and make Sooner.lu **a unique platform in Luxembourg**, giving access to **more than 5000 films** from all around the world, with a **particular focus on Luxembourg cinema**. It is the largest film catalogue available in the Grand Duchy. Every month, dozens of new films will be added. In 2021, we intend to complete the offer with a selection of European series.

Aimed at all film lovers, Sooner invites you to watch and re-watch award-winning films from the biggest international festivals, cult films and classics of all genres, documentaries both from here and abroad, and animated films for the whole family to enjoy.

Sooner.lu is also an unprecedented and exclusive collection of **300 films that are "Made in/with Luxembourg"**, including such emblematic films as *Superjhem retörns*, *Doudege Wénkel*, *Rusty Boys*, *Eng Nei Zäit*, *Le club des chômeurs*, and many others. Moreover, Sooner boasts a collection of animated films for both kids and grown-ups in Luxembourgish. Sooner also intends to become **a committed key player** in Luxembourg's audio-visual sector.

Supported by the Creative Europe Programme of the European Union, d'Filmakademie, Centre national de l'audiovisuel, Film Fund Luxembourg and Post Telecom.
