LUXFILMFEST – HOME EDITION

As extraordinary times demand extraordinary solutions, LuxFilmFest, Film Fund Luxembourg, d’Filmakademie and VOD.lu teamed up to bring you the LUXFILMFEST HOME EDITION, available online on VOD.lu as of 31st March. An exceptional online film experience that you can access from the comfort of your home at affordable prices adapted for these unusual circumstances.

First, you’ll be able to (re)discover most* of the short films that premiered at this 10th edition’s **Showcase: Shorts Made in/with Luxembourg**:

- [Abigail](#) by Nicolas Debray
- [Absence](#) by Florian Beros
- [Faleminderit](#) by Nicolas Neuhold
- [Glow](#) by Fred Neuen & Mik Muhlen
- [Halligalli](#) by Govinda van Maele
- [If We Smarten Up](#) by Larisa Faber
- [Lupus](#) by Laurent Prim
- [Westwand](#) by Philip Krieps

You can also (re)watch several* Luxembourgish (co-)productions that were all selected in the *Made in/with Luxembourg* strand at this year’s Festival:

- [Dreamland](#) by Bruce McDonald
- [Jumbo](#) by Zoé Wittcock
- [Norie](#) by Yuki Kawamura
- [River Tales](#) by Julie Schroell
- [Tune into the Future](#) by Eric Schockmel

*At the time of writing, the rights for several films are still being negotiated, the definitive list is to be discovered on VOD.lu and will continue to evolve regularly.

We will also let you know as soon as possible about films selected in previous LuxFilmFest editions that will be made available on the same platform. A big, heartfelt thank you to our partners, as well as to the many distributors, producers and rightsholders for their flexibility and help in putting together this initiative.

Start bingeing TOMORROW (Tuesday, 31st March) in the LUXFILMFEST HOME EDITION tab on VOD.lu!
